Respected Sir,

In Govt. letter No. S/Gen/7914-[illegible] of 2-8-51, I was informed that my request for re-fixation of my pay, could not be granted as it was not covered by general rules.

I had brought to your kind notice the fact that I have to my credit, a service of twenty years and over. It was also brought to your kind notice that I had [illegible] certain other individual advantages of the state service. I could not utilise these advantages, by my service [illegible] brought to your kind control.

While I do not [illegible] circumstances, I had to put up with disadvantages after my transfer. I may be posted to Mundol as Dy Engr. This post is not the same place of my original service given, viz. Jetalsar.

This has put me to great inconvenience. Govt. may take into consideration the advantage that was admissible to a state servant before the merger and has granted relief in such cases.

In the case of Baroda State Servants, their date of confirmation in the State, has been adopted, I understand, for the purpose of fixing of their seniority. I beg to request that I may be granted the same concession, this will give me some relief in the matter of service, in view of long experience extending over twenty years. I respectfully submit that if the date of confirmation in the State service, is taken as basis, for purpose of seniority, I beg to request you to kindly consider my claim for promotion as Deputy Engineer.

This request I submit does not in any way affect the service rights of others and will only give some relief according to my experience and total service.

Yours faithfully,

Overseer.

Mundol.

Below representation dated 30.10.52 from Shri B.K. Desai, D.C.E.Overseer, received under the ExecutiveEngineer, Karnatak P.H.Wks.Divn.'s endorsement No.G.7(d)/7955,dated 12.11.1952, regarding Seniority.

No.State.33/ 14420 of 1952.
Poona:dated: 27 :Novr. 1952.

Passed on with compliments to the Chief Engineer, (Irrigation), P.W.D. Bombay.

The Seniority of Shri B.K.Desai, who is a permanent Ex-State servant has been fixed vis-a-vis other permanent overseers of this Circle with regard to his pay as per Government Resolution, Political and Services Department No.2751/46-II dated 11.9.51 and it is presumed it is in order. This office has no knowledge of Government orders on which Shri Desai contends that Seniority has to be fixed with reference to the date of appointment in the ex-State.

Public Works Department,

Shri B.K. Desai, permanent Overseer of ex-Kundgol State has represented to refix his seniority in the Overseers' cadre by taking the date of his confirmation in the State Service into account and to consider his case for the post of a Dy. Engr. Shri Desai has advanced the following arguments in support of his request:-

(1) that he has over 20 years service to his credit and that he enjoyed certain concessions in the State Service.

(2) that he is put to much inconvenience after his transfer from Jamkhandi to Kundgol.

(3) that in the case of Baroda State servants the date of confirmation has been taken into account for purposes of fixing seniority.

The arguments at (1) and (2) above are not tenable as the seniority of ex-State personnel is required to be fixed on the basis of pay- vide G.R., P. & S.D. No. 2735/46-II, dt. the 11-9-1951.

2. With regard to Shri Desai's statement that the seniority in the case of Baroda State servants has been fixed on the basis of the date of confirmation, it is not clear why he has not pointed out specific instances, if he is aware of it. The seniority in case of all state persons is required to be fixed in accordance with the G.R. referred to above and no exception can be made on any account Shri Desai may be informed that his request to refix his seniority on the basis of the date of

confirmation.....

Shri Desai stands at Sr. No. 29 of the seniority list of permanent overseers in the P.H. Circle as it stood on 30-6-52. The P.H.E. has proposed Shri Desai's name for inclusion in the "Select list" of overseers considered fit for appt. as Dy. Engrs. The question is separately under consideration. Shri Desai may be informed that the question of his appt as Dy. engr. will be considered in due course along with others according to his seniority and merits.
